

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE MADERA COUNTY WORKFORCE INVESTMENT BOARD
AND
THE CENTRAL VALLEY OPPORTUNITY CENTER**

Title I of the Workforce Investment Act of 1998 (WIA) requires each local workforce investment area to establish a One-Stop system for the delivery of certain Federal workforce development services. One-Stop partners are to collaborate to create a seamless delivery system that will enhance access to services and improve employment outcomes for individuals receiving services. The system must include at least one comprehensive physical center that provides core services and access to the other activities carried out by the partners.

The WIA specifies that the required One-Stop partners include programs funded by the United States Departments of:

- **Labor**
Title I of WIA, Wagner-Peyser, Unemployment Insurance, Trade adjustment Assistance, NAFTA Transitional Adjustment Assistance, Welfare-to-Work, Senior Community Service Employment, and Veterans Workforce Investment programs and activities under 38 USC Chapter 41,
- **Education**
Vocational Rehabilitation, Adult Education, and Postsecondary Vocational education,
- **Health and Human Services**
Community Services Block Grant; and
- **Housing and Urban Development**
Employment and Training activities

The WIA also authorizes any other appropriate program to serve as a partner, including the Temporary Assistance to Needy Families, Food Stamp Employment and Training and Work programs. The partner is the entity responsible for the administration of the program in the local area, which in many cases may be a State agency.

Section 121(c)(1) of the Workforce Investment Act requires the local Workforce Investment Board (WIB) to enter into a Memorandum of Understanding (MOU) with local partners regarding the operation of the One Stop delivery system. MOU's must be executed between the local WIB and the One-Stop partners.

Integrated Delivery of Services (Informational Item)

Beginning July 1, 2008 Madera County Workforce Investment Board and the One Stop will be engaged in a learning lab environment, with 11 other local workforce investment areas in the state, for at least one year wherein the Employment Development Department/Wagner-Peyser

and the Madera County Office of Education/Workforce Development Office/Workforce Investment Act Operator will integrate delivery of services to all customers entering and utilizing the One Stop system. This will require registration into the Virtual One Stop Case Management System and enrollment of all customers into Wagner-Peyser and WIA concurrently. EDD staff and WIA staff will work together on teams to assure successful navigation and transition of the customers through a revised customer flow that will provide for more immediate skill enhancement/upgrade to provide for increased opportunities to the customers for employment, while at the same time providing a more skilled workforce to the employer community. One of the other primary purposes of this integration project is to accurately capture the numbers of customers and the services being provided by the One Stop.

Purpose of Memorandum of Understanding:

- I. To define and reinforce (or establish) relationship between the Workforce Investment Board and the designated Partner Agency;
- II. To define the roles and responsibilities of these entities, in the performance of their combined goal of establishing a workforce development system through a One-Stop method of service delivery that is:
 - Integrated (offering as many employment, training, and education services as possible for employers and individuals seeking jobs or wishing to enhance their skills) and affording universal access to the system overall;
 - Comprehensive (offering a large array of useful information with wide and easy access to needed services);
 - Customer Focused (providing the means for customers to judge the quality of services and make informed choices); and
 - Performance based (or based on clear outcomes to be achieved; mutually negotiated outcomes and methods for measurements; and the means toward measuring and attaining customer satisfaction); and
- III. To describe how costs of services and the operating cost of the system will be funded.

Statement of Issue:

As a mandatory partner in the Workforce Investment Act (WIA), the Madera County Central Valley Opportunity Center (CVOC) enters into a Memorandum of Understanding (MOU) with the Madera County Workforce Investment Board (LWIB) regarding the manner in which the CVOC will participate in and provide access to its services through the one-stop system of service delivery. Any questions about this MOU should be directed to the CVOC Executive Director.

Terms and Conditions of MOU:

Allocation and payment of the operating costs of the One-Stop Center that are attributable to CVOC if any, will be addressed in a separate financial participation contract between CVOC and the One-Stop Operator(s) designated by the LWIB. Such financial participation contract shall comply with all applicable statutes and regulations regarding such contracts. This MOU will be incorporated by reference in any such financial participation contracts between CVOC and the LWIB and a copy of any financial participation contracts shall become an attachment to this MOU.

The CVOC agrees to participate in a joint planning process which results in the development of the local WIA Plan, submitted to the State in accordance with issued WIA guidelines. The CVOC agrees to engage in planning, plan development, and modification activities, to result in:

 - a) Responsiveness to customer needs;
 - b) Maintenance to system infrastructure

 - a) Performance management to measure the success of the One Stop system overall and to enhance performance in a spirit of quality management and continuous improvement; and
8. The CVOC's appropriate contribution to meeting the performance standards negotiated between the State of California and LWIB and attached to this Memorandum of Understanding.

Effective Dates:

This MOU shall become effective on July 1, 2008 and terminate on June, 30, 2011 and will continue in effect until such time as it is revised, extended, or terminated as provided below.

This MOU is of no force or effect until signed by authorized representatives of the participating agencies, and until approved by the Chief Local Elected Official. Individual signatories to this agreement may or may not be represented on the LWIB itself, at local discretion. The MOU, once signed, becomes a part of the local WIA Plan.

Revisions and Modifications:

This MOU may be revised or modified with the approval of both the LWIB and CVOC. A request by one party to this MOU for revision or modification must be presented in writing to the other party. Any modification or revision to the MOU must be in writing and signed by the CVOC Executive Director on behalf of CVOC and the Chairperson of the LWIB or his/her designee on behalf of the LWIB.

Extension Policy:

This MOU may be extended by written agreement between the LWIB and CVOC provided such agreement is signed by both entities prior to the termination date of this agreement, and contains the following:

1. A statement of intent to continue all provisions of the MOU;
2. Revised effective and termination dates; and
3. Dated signatures of the CVOC Executive Director on behalf of CVOC and the Chairperson of the LWIB or his/her designee on behalf of the LWIB.

Parties to this MOU shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant, or applicant for employment due to gender, race, color, ancestry, religion, national origin, physical disability (including HIV and AIDS), mental disability, medical conditions, age (over 40), or marital status. Nor shall any partner or the LWIB, including the One-Stop Operator, deny family and medical care leave or pregnancy disability leave to employees entitled to such leave. Partners and the LWIB, including the One-Stop Operator, shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Partners shall comply with the provisions of Fair Employment and Housing Act (California Government Code Section 12900, et seq.) and related, applicable regulations promulgated thereunder (Title 2, California Code of Regulations Section 7285 et seq.). Code of Regulations Section 8103 et seq. are incorporated into this contract by reference and made a part hereof as if set forth in full. Partners shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining agreement or other such agreement. Parties to this MOU shall include non-discrimination and compliance provisions of this clause in all related subcontracts or financial agreements.

- B. The Madera County Workforce Investment Board, including the One-Stop Operator and other partners to the One-Stop System, will ensure that policies and procedures established by the LWIB, including the One-Stop Operator, and programs and services provided by and through the One-Stop Center(s) are in compliance with the Americans with Disabilities Act of 1990 (ADA), which prohibits discrimination on the basis of disability, as well as applicable regulations and guidelines issued pursuant to the ADA.

The CVOC will ensure that services are provided by assigning staff to local One-Stop Center(s) and training One-Stop Operator and Partner staff in the delivery of information about the services available to eligible individuals.

The parties agree that such One-Stop Center shall be located at 209 E. 7th Street, Madera, Ca., 93687. The CVOC agrees that it will provide access to the services described in this MOU at such location and any other satellite location deemed appropriate by the CVOC Executive Director. This location may be changed by the LWIB during the term of this MOU, upon reasonable advance notice but not to be less than thirty (30) days of such change to the CVOC Executive Director.

If the LWIB establishes additional One-Stop Centers within its local workforce investment area, the CVOC Executive Director will determine the extent and manner in which it will participate in such additional centers. However, access to CVOC services will be made available at all locations.

Methods of Referral:

The LWIB, its designated One-Stop Operator, and CVOC agree to jointly develop and implement processes and forms for common intake and referral among the One-Stop Partners, and to modify such processes and forms as necessary.

The CVOC agrees to train and provide technical assistance to the staff of each participating One-Stop Partner on topics that include but are not limited to eligibility for and scope of allowable services.

The LWIB will require the other One-Stop Partners to provide training to CVOC staff regarding the partner's programs and eligibility criteria.

The LWIB will require the other One-Stop Partners to refer applicants for and clients of their services to CVOC when such individuals may be eligible for CVOC services.

Resource Sharing:

Resource sharing is the methodology through which One-Stop partner programs pay for, or fund, their equitable share of the costs.

The partners agree to share resources in the daily operations of the One-Stop system. It is expressly understood that this MOU does not constitute a financial commitment, but rather intend to commit specific resources in the future as the partner's allocations and budgets are known and the One-Stop system evolves. The One-Stop system is a work in progress, and its costs and the partners resource contributions, will not remain static from month-to-month or from year-to-year.

A Resource Sharing Matrix will be provided on an annual basis to partners for review and will be revised if necessary. The resources outlined in the matrix will only be resources that provide benefit to the One-stop system as a whole, but funded solely through each partners funding source.

Confidentiality:

The LWIB agrees that when any individual applies for or receives services from CVOC through the One-Stop Center, all information regarding such application for or receipt of services shall be confidential information subject to the provisions of 34 CFR Section 361.38 and Title 9 California Code of Regulations Sections 7140 – 7143.5 as amended.

The LWIB will require the One-Stop Operator(s) to develop and implement appropriate policies and procedures to assure that:

1. Any information contained in the records of the One-Stop Center or other One-Stop Partners, that identifies an individual as having applied for or received services including but not limited to application, eligibility and referral records, shall be maintained by the One-Stop Operator and One-Stop Partners in the strictest confidence, consistent with the regulations set forth above, and shall be used by the One-Stop Operator and One-Stop Partners solely for purposes directly related to determining eligibility or delivery of services to such individual;
2. Any information regarding any individual who has applied for or received services, including the fact that the individual is an applicant or client of CVOC shall not be disclosed by the One-Stop Operator or any One-Stop Partner, absent a court order or a written authorization from the applicant or client, consistent with the regulations set forth above;
3. Requests by any One-Stop Partner or the One-Stop Operator for information in CVOC files concerning an applicant or client for CVOC services shall be accompanied by a written authorization from the applicant or client, consistent with the regulations set forth above; and
4. Any information provided by CVOC to a One-Stop Partner or the One-Stop Operator shall be subject to the prohibition against redisclosure contained in Title 9, California Code of Regulations Section 7142.5.

The CVOC agrees that it shall provide to the LWIB and to the One-Stop Operator information regarding applicants or clients who applied for or received services from CVOC through the One-Stop Center as needed for reporting and tracking required by WIA. Such information shall be reported in a format that does not identify the individual client or applicant.

Administrative and Operational Management:

It is understood that CVOC and its staff are subject to existing personnel policies, procedures, regulations and statutes as well as applicable collective bargaining agreements. The LWIB will assure to the extent possible that the One-Stop Operator will work with all partners in developing and implementing policies and procedures for the One-Stop Center, in order to avoid inconsistencies with their respective policies, procedures, regulations and collective bargaining agreements.

Administrative Dispute Resolution:

The LWIB and CVOC agree to communicate openly and directly resolve any problems or disputes related to provision of services in a cooperative manner and at the lowest level of intervention possible.

In the event of a resolution impasse between CVOC and another One-Stop Partner or between CVOC and the One-Stop Operator, an attempt to resolve the impasse shall first be made between the parties involved in the disagreement. If the impasse cannot be resolved through those efforts, each party agrees to separately submit a written explanation to Madera County Workforce Development Office staff describing the nature of the dispute, steps taken to resolve differences, and recommended solution(s) to the impasse. Madera County Workforce Development Office staff will confer with the CVOC Executive Director and the highest-ranking official of any other organization in dispute when attempting to resolve the impasse prior to submission to the Workforce Investment Board.

Indemnification:

The parties to this Memorandum of Understanding shall defend, indemnify and hold harmless each other, its officers, employees and agents, including the One-Stop Operator, from and against any and all liability, loss, expense, or claims arising out of performance of this MOU, but only in proportion to and to the extent such liability, loss, expense, or claims for injury or damages are caused by or result from the negligent or intentional acts or omissions of the parties, its officers, agents or employees.
